### Ways To Celebrate Mother's Day From A Distance

In 2021, given the ongoing COVID-19 crisis, many of us are rethinking how to give extra recognition to moms. Some of us are apart from our moms when we'd normally be together. And many of us are worried about our moms, some of whom are in the high-risk age range. Here are some creative ways to reach out to mom from a distance.

## Decorate your mom's door or front porch!

If you're local, you can have fun decorating your mom's front door with streamers, special signs, a wreath, and flowers! If you have kids, get them involved! Mom or grandma will love the surprise.

Of course, flowers and plants are always a delight. If you're local, deliver plants to her porch in person. If you're not local, there's always delivery in most places (but order well enough ahead!).

#### Set up a virtual brunch date!

You can drop off the ingredients at her door if she's local, or send the recipe in advance to everyone! Then Zoom with the entire family and raise a glass to mom!

#### Watch a movie or show together!

If you're in separate locations, watch the same movie on your computers at the same time. Or, start a marathon of your favorite TV series while indulging in a glass of wine or cup of tea.

Did you know? Netflix also has a way to watch together online. If you and your mom have a Netflix account and Chrome installed on her laptop or desktop, you can watch a movie together! There is even a group chat function for commenting live during the movie from wherever you are in the world.

## Get creative: Make Mom a video, a music playlist, or a piece of art!

Record a video from all of the children. They can each say "Happy Mother's Day" and why they appreciate her.

Make a music playlist. You could gather calming songs for bedtime, such as the sound of the seas. Or, you could gather her very favorite songs from the era that she loves most.

How about a special work of art for Mom? For example, paint the outside of a terra-cotta flower pot and fill it with garden seeds and a card. Or, make a beautiful photo frame with your family photo inside.

## Take a virtual tour of a museum or garden together!

Even if you're not together, the wonders of technology make so much possible today! More and more museums are opening up their "walls" to offer virtual tours during this time!

Set up a Mother's Day date for you and your mom to visit the Louvre in Paris. Is mom a garden lover? The famous Holland tulip farm Keukenhof has created a virtual tulip tour!

### What's the Difference between Memorial Day and Veterans' Day?

Memorial Day commemorates the men and women who died while in the military service of their country, particularly those who died in battle or as a result of wounds sustained in battle. We spend time remembering those who lost their lives and could not come home, reflecting on their service and why we have the luxury and freedom that we enjoy today. We might consider how we can support and safeguard their grieving families and loved ones who are left behind.

Veterans' Day is the day set aside to thank and honor ALL who served—in wartime or peacetime—regardless of whether they died or survived. Veterans Day is always observed officially on November 11, regardless of the day of the week on which it falls.

- 1 bunch (1 pound) rhubarb cut in 1-1/2 inch lengths
- 2 teaspoon grated orange rind (or 1 teaspoon grated lemon rind)
- juice of one orange
- 2 tablespoons butter

#### Directions

Divide the pastry into unequal halves. Roll out the larger portion and fit into a 9-inch pie pan. Trim the pastry ½ inch beyond the rim of the pan. Roll out the remaining pastry to ½-inch thickness and cut into strips about ¾ inch wide.

Mix the sugar, cornstarch, and salt. Add the rhubarb, rind, and juice and toss until well mixed. Tint pink if desired and turn into the pastry shell. Dot with butter.

Arrange the pastry strips over the pie in a lattice pattern securing it to the pieshell firmly and fluting the pieshell and strips together to form a high rim. Brush the pastry with a little milk and sprinkle sugar over it.

Bake in a 400 degrees F oven for 50-60 minutes, or until the filling has bubbles that do not break.
